## Commodore's Report-

*Hi everyone,*

*This weekend's cruise will be my first sail in many weeks and I am so looking forward to it.. Thanks to Warren a great weekend is planned. Please let Warren know if you have booked a marina berth.*

*The AGM is now upon us and a reminder nomination forms must be to the secretary before the meeting starts—hint hint !!*

*Our Vice Commodore has been busy planning a great Presentation night on 23<sup>rd</sup> June- so lock it into your diaries. This also means anyone with perpetual trophies will need to get their trophy to Pam soon. Either at the next race day, meeting or AGM or ?*

*June long weekend again sees NHTYA attend the Lake Keepit Cool Regatta. This year it appears the club is migrating north for the event. So far many are attending. Either just camping and watching the action from shore or trying their hand at inland freshwater sailing . Some are on their trailer sailers and others plan to get wet on an off the beach boat. Some are camping in tents, their boats, caravans or motor homes.... AND Warren is bringing the Giant Jenga ☺.. Come join us for a brandy around the Campfire !! Come watch the Yabby races.. last year Norma won a flight in a glider !!! Some capsized and some threatened to board RnR by force. Some crashed (slept on) their tent and some spun wheels, some just got bogged... A great weekend and an even better one this year.. let me know if you're coming.*

*F-Jetty repairs have started (well planned to have started) and the expectation is to finish August. To this end our next race weekend will be out of Styles Point, so don't forget the princess plank.*

*Brian and I plan to have a pre-trip info meeting (mid year) for those joining us and those still deciding, on the cruise down the Murray River. There are considerations you'll need to prepare for and time to make those preparations ready for September. A date is yet to be decided for the meeting as Brian is closely monitoring river levels.. We need rain now.....*

*I hope you all enjoy this edition and read about everyone's sailing adventures... better still why not join us on the next adventure.*

*Cheers,*

**General Business:**

Val

- AGM is in 2 meetings time
- Reminder for Lake Keepit on the long weekend

Phil

- Stan had a gathering for Wendy at home, Hart attended, no service or funeral according to Wendy's wishes. Flowers from the club were delivered. Stan intends to continue to keep racing with the club.
- Neville and Judy's 60<sup>th</sup> wedding anniversary had around 16 members in attendance at Murrays Beach. Flowers from the club were loved. New jetty ropes were gifted to them. It was a great afternoon.

Pam

- Presentation night: waiting to hear back from them regarding room hire before paying 20% deposit.
- Approval to pay deposit of between \$300 to \$400

Brian

- Research on making copies of Blue book showed it to be cost prohibitive.
- \$40 paid by Val for a copy of Blue Book from Middle Harbour Yacht Club.

Kevin

- BBQ research for a 4 burner with a lid on it has been done.
- Approval to purchase BBQ around \$200.
- Hawkesbury cruise was a really good bonding session and everyone pulling together to assist retrieval of boats was great.

Ralph

- Club auditors need to be put on the nomination forms and the Constitution needs to be changed.
- Racing rules of sailing that Arnold has from Lake Keepit may apply for our club, to be decided on by management committee.

Warren

- Council has received a lot of complaints about boats overstaying on jetties. Limit is 2 hours over any 24hr period where a sign exists. Fine of \$110 will be applied for each offence and officers will be strictly enforcing this.
- We must have a great racing committee as we don't have many issues. Wangi seems to have problems frequently. Suggestion to use the app race Qs more often as a great tool and for a giggle.

Barry

- Couldn't attend last race due to wife's birthday.
- Looking forward to next race day. Enjoying the club.

**Date of next General Meeting:**

- 17<sup>th</sup> April (2018)

**Meeting Closed:** 20:15 hrs

## **OOD Roster Autumn 2018**

*As drawn from a hat the "Officer of the day" will be as follows.*

<i>Race 7</i>	<i>Sandcastle</i>	<i>5 May 2018</i>
<i>Race 8</i>	<i>Deja Vu</i>	<i>6 May 2018</i>

*If you are unable to attend on the race day it is your club responsibility to arrange for a replacement. Note that the OOD yacht receives a score for her DUTY DAY of the average of her 4 best scores.*

### **Race Report Race 4 ..... by Rob and Sybil on 'AQUILA'**

*Race 4 of the Autumn series began on a very still day with little or no wind. A good field of twelve boats started. The original course was to sail to Coon Island , Slip, Carey Bay, Marks Point, Coal Point and then home.*

*The start for the race was moved out into Kilaben bay to allow more room and have a shorter trip home. All boats started together with little or no wind. Every boat managed to creep across the start line and slowly drift across Kilaben Bay.*

*Once we reached the mouth of the bay the wind died completely leaving all boats just bobbing on the lake with no forward movement or steerage. Neville and Judy almost came to grief he two large stink boats roared past pushing them onto a moored cruiser. With great finesse they managed to fend off the cruiser and resume the race, although at one stage Neville was tempted to get out the iron horse.*

*The whole fleet sat motionless for about an hour or so. With no immediate relief in sight Chris decided to shorten the race around Coon Island and home. It was a great relief then the breeze picked up and we could all make some progress. The easterly breeze enabled us to set a course for Coon Island. Some boats (including us) veered to the south of Coon Island and then tacked north enjoying a nice reach to the marker. Other boats went further north and headed straight for the marker.*

*All boats were strung out in a line as they headed for home. Windsor Castle hoisted the spinnaker and were soon in the lead. With the wind picking up we were able to sail to the finish line in good time. Windsor Castle finished first across the line followed by Second One and RnR third across.*

*Handicap results, 1<sup>st</sup> Aquila, 2<sup>nd</sup> Synchronicity and 3<sup>rd</sup> Vintage Port.*
