Commodore's Muse

Greetings all, what a great October Long Weekend it was!

The 3-hour Stern Chaser had it all! From bobbing along to hold on tight. I've got to get my start timing right! and then we decided to go up the middle of the lake to miss the small boats – where did the wind go?? There were some great mini races going on and skilful sailing to be seen. Big thanks to Brian and Val for being Starter Boat and working out all the start times!

And what a great club dinner at the Catalina Bowling club - where the days wind got gustier, the tacks were closer and the boat speed was increased!! Thanks to Simon and Jenny Gregson for coming to my place to pick up the 7 extra Gazebos!

The 6-Hour Race was another great event! Again, drifting around Coal Point Cardinal Mark – I was counting the mussels on it for a while, to popping the spinnaker for a great run. Us Noelex's had mini events happening - Could I catch Free Sprite with that big Genoa! Tacking duel with Jocamo! Then a

great run home past Gipseys OOD on shore – thanks Kim and Phil!

Thanks to Rob for organising the 'Great Gazebo Put up', and thanks to all for the amazing shared food, and Peter M and Tania for cooking the BBQ!

So, let's talk about the Elephant in the room, or who was the 'Hero & the Villain' after watching the Footy Final on the big sheet! Well done to those Roosters supporters, Bevillee, Brian and Val, and great effort from the Knights! Looking forward to next year!

Thanks to all for folding down the wet gazebos, and Paul Webster for dropping them all back to my place Monday morning.

There was a fantastic turnout for the recent OTB racing and great weather, so all had fun as can be seen in the write up!

Trailer Sailer Races 3 & 4 are on this weekend – 16 & 17 October, so get along and have fun!

Remember we're not racing for sheep stations but for fun, and to make sure you know the rules and follow them, especially where there have been changes to those rules. It is your responsibility to keep clear!

Fair winds to you all and see you at the ramp soon!

Ken.

Your Commodore

Editor's Note – Val Harrison

This edition you'll notice there are no trailerabe race results. This is because there has been no 'new' racing since last newsletter! What about the 3/6 hour you ask ?? Well, those results are announced at presentation night- keeping in mind your handicap for those races is based on your 3/6 hour history so who knows !!!

Further, normally I'm scratching for photo content for the newsletter but this time a few of you have outdone yourselves. I'm just disappointed I can't include all the great photos but will endeavor to get some new ones up on the web site. Also, there is no reasoning behind which ones I choose as I'm usually 'over' putting the newsletter together by this stage and frankly – it will do 😊

And one last thing- don't ever rely on me to write a race report- I truly can't remember anything, never mind what strategies were used!! So, the pictures will have to suffice. This means I would really appreciate race reports by ? to include in future newsletters.

GENERAL BUSINESS

- **Ken**
-Our Facebook page now has 1,139 members. Noted membership to page is vetted and several have been knocked back.

-Reminder race entry forms are to be forwarded to Will. Special note Brian needs to know who is declaring they are running Spinnaker
- **Val** -Reminder OTB fees are \$10 per boat to pay for trophies.
- **Wayne** -A Noelex he looked at he had a conversation at Coffs harbour and 'sold' the club to them
- **Jennifer** – clarified 3 races are for free are for new potential members to ascertain if we are the club for them not 3 free races for members. If 'members; have not paid race fees they do not receive points.
- **Peter** – last race replaced rigging and used rig tensioner. He mentioned Derek though the club had a rig tension gauge to use. Phil confirmed the club does not own one and members 'borrowed' other club member's. Brian has one on his boat that he lends out and described how to check tension. Peter said his rigging must have been okay as everything stayed up !
- **Chris** – All good and will get his form in
- **John Pateman**- What is the correct rig tension? Brian said it comes down to the type of boat but a starting point is 30 on the outer and 20-25 on the inner then consider how much mast bend ..
- **Garry** – nothing to add, Unsure about 3/6 hour as may need to make a new rudder. He did crew for Scallywag last race weekend.
- **Jennina** – re incident last race weekend. They were on finish line and the whole thing was very distressing especially the damage to Will's boat. Ken thanked Jennina for the feedback and said the incident is still under investigation.
- **Phil** explained the notification he does each year to council re usage of lake, similar to the old aquatic licence but now there is no charge – see corres out.
- **Robyn** – No racing for him but did see finish line from afar. Commented that you don't hit the start boat. He expects to get back to racing.
- **Kim** – nothing to add just an apology for Derek and Leanne.
- **Ken** – reminded everyone the theme for this years 3/6 hour grand final BBQ was 'Heroes and Villains'.

Meeting Closed: 7.52 No Presentation tonight.

NHTYA Lake Macquarie Cruise September 19-20 2026 Report

We had a great, relaxing cruise on our wonderful lake- should do this more often we all said ! 4 boats in total enjoyed perfect weather and champagne sailing both days.

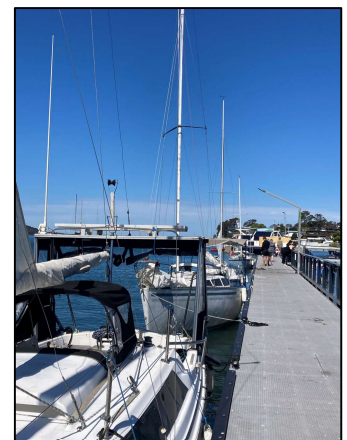

Friday night we (Brian and Val on our Macgregor 26x) were joined by Paul on his Gem, Wayne and his Cole. We ordered hamburgers for dinner – some ordered chips as well but couldn't finish it all 😊.

Saturday- Tom and Kerry on the Sonata 780 joined us as well. We left about 10:00ish and sailed to Toronto for lunch. We realised it had been a couple of years since we had fish n chips at Toronto and this was to be a very lazy cruise.

After lunch we sailed up to Belmont to check out their new jetty. Alas it was full of race management for a big regatta, so we abandoned that idea and berthed on Valentine jetty. Two had dinner at the club- I heard Wayne say best rissoles he has ever had. We and Tom and Kerry cooked on our boats.

Next morning Tom had to get back to his trailer (another story) and Wayne and Paul checked out Warners Bay for an ice cream.

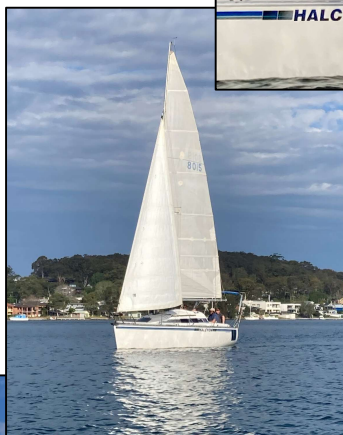

A great little cruise and great company – thank you. Brian and Val Harrison

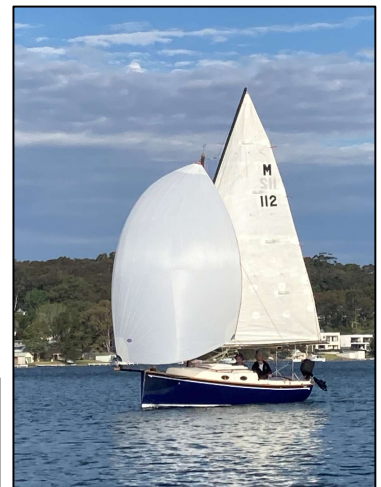

NHTYA 3 & 6 hr Regatta Oct Long weekend.

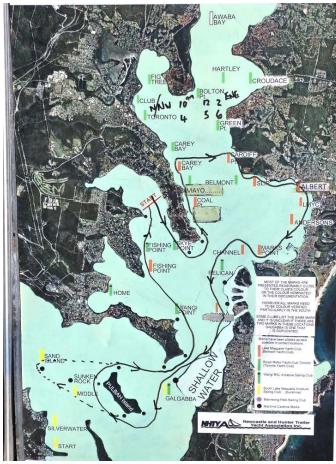

Saturday Stern Chaser – The 3 hour race.

Brian and Val were OOD and Brian (handicapper) calculated start times for each boat. 14 starters. There were some very close finishers !! Congratulations to Rob and Bevillee- first across the line in Aruluén. After the racing we had a lovely meal at the Catalina bowls club down the road.

Sunday Circumnavigation of race marks – The 6 hour race.

As you can see from some of the photos it was a very slow windless drift around Coal Point and then we did get enough breeze to sail the full course around Sand Island.

Sunday night NRL BBQ – what a game !!!!

*Thanks to all those who helped set up and man the BBQs etc and thanks to Brian for the visual entertainment. Winners are grinners or dare I say **Heroes** although many would say **Villians** 😊. Seriously it was a great game and great company. And who can forget the bacon and egg breakfast Monday morning.*

OTB Results for Saturday 26th September.

Was once again great weather with 9 boats racing. However, with 3 missing it's getting really close to having to have a second support boat and a dreaded 'Roster' !!!

Racing between the two lasers- Roger Yorke and John Patemen is getting serious and Pam, on her Windrush, continues to improve with each race.

Competition is heating up so Chris thought he had better lift his game and decided to try a radical mast rake. Hmmm fail LOL... His bridle snapped. Luckily, he was on the right tack to end up on same shore as we launched !!! Thanks go to Doug for providing assistance – hence the duty points.

Next OTB is Saturday October 24th.

We eventually had the opportunity to present trophies for the 2025-26 year due to OTB award winners not being at the Presentation night.

Special mention was Tom Howell being presented with his trailer sailer award for most improved skipper. Well Done
