## NHTYA Notice of *CRUISING*

August 2023 to May 2024

Cruise Coordinator- Valerie Harrison

## ***Cruising – it’s what we do.***

*Over the years of owning many trailer sailers and being members of many clubs, I have found that all in all, trailer sailors treasure the journey rather than the destination.*

*Some ask why we keep cruising on Lake Macquarie and I have to say it’s true, the destination is nowhere near as enticing as the journey. There is nothing more relaxing or serene than to sail around our great lake with friends, doesn’t get any better. This is why we keep coming back, coupled with the ease and security our lake provides. Just to go sailing.....*

*Of course, there is also the adventure of sailing on a new expanse of water, but the real reason we launch our boats is for the pure joy of sailing and then add friends.*

*So please don’t think of ‘where you haven’t been’ when deciding to cruise or not, but rather grab every opportunity to get that boat on the water and join us making sailing memories.*

*This year’s cruising program is filled with new experiences and the comfort of familiarity. As you flick through the Notice of Cruises for this year, please make a note of when you can join us. Better still why not do it all !*

*Our aim is to provide a balance of Home (Lake Macquarie) and Away cruises, alternating each month. We have x9 cruise weekends plus x2 Myall Lakes events and the 3&6-hour regatta/ get together.*

*The goal this year for a home cruise is to stay overnight on Pulbah, the first chance we get when the weather gods are in our favour!*

*Cruising on Lake Macquarie the nights are now getting cool. We will be launching at F-Jetty ready for a Saturday kick off at 10am to sail wherever the breeze takes us- ending up at Wangi caravan park shoreline.*

*There are NO campfires allowed on the shoreline of our lake as most is a conservation reserve and the remainder is either privately owned or council parkland- NO campfires.*

*BUT there just so happens to be a Caravan park on the shoreline and when it’s not daylight saving there are designated campfires !!!*

*We book campsite 35 and some members bring their caravan and book their own sites.. We will cruise our lake before beaching in to enjoy the campfire and company. The public BBQ facilities are fantastic or there is local takeaway or Thai or?*

*So that’s it for the official cruise year. There is now of course, Presentation Night, June long weekend and the Onshore cruise !*

**May Sat 25<sup>th</sup> - Sun 26<sup>th</sup>**

*Cruise Leader-*

*Val and Brian Harrison*

# Wangi Campfire Cruise

*For each cruise you intend to join, please add your name to the attendance sheet on the web site or let me know via phone 0435242274 or email [mumbo1962@hotmail.com](mailto:mumbo1962@hotmail.com) . This gives us an idea of how many and who to expect in case we need to wait for you 😊.*

*Cruises commence on a Saturday morning and end on the Sunday afternoon- unless it's a long weekend. Of course, those who are retired (half your luck) or have days off, please feel free to launch earlier or stay longer.*

*When you arrive at a cruise, we will require everyone to log their entry and exit of the cruise via a logbook, together with emergency contact details.*

*See you on the water-*

*Valerie Harrison*
