

April Sat 27 – Sun 28

Cruise Leader- Hart Peters

Sailing Brisbane Waters

Yes, this is a mast up and sail cruise on waters that are familiar to us but has been some time since we 'sailed' these waters.

Club members have sailed these waters for Off the Beach national titles- but cruising is a more gentle leisure activity not to be missed.

The waters are extensive and many places to explore. We'll be launching at Lion Park boat ramp at Woy Woy- pretty flash and sandy beach each side. The photo above is current.

Kick-off is 10am to sail to our lunch destination.

Overnight- We'll beach stern into sandy beach just up from where we launched or if available the wharf further west?

Dinner – depends on opportunity of pub or public bbq. However, please make sure you can be self sufficient if you have to cook on your boat.
