

Good morning, Ken

Following on from our phone conversation earlier this morning requesting permission for overnight mooring.

Vessels associated with the Newcastle and Hunter Trailer Yacht Association are permitted to occupy Rathmines F jetty for an extended period (3.00pm through to 11.00am the next day) on the following dates;

Friday 8, Saturday 9 and Sunday 10 September 2023

Permission is subject to the following conditions:

1. An outer section of the F jetty face, nominally 14 metres long, is available for all other vessels to embark or disembark.
2. Ensure competent persons attend to vessels occupying the jetty in case any vessel requires removal at short notice.
3. Rubbish generated by the stay is to be removed from the jetty and reserve to ensure park waste receptacles are not overloaded.
4. No power cords or water hoses are to lie on the jetty.
5. Advise NSW Roads and Maritime Services of this approval.
6. A copy of this email is on site at all times and produced to a person of authority on demand.
7. Any changes to this agreement (additional dates or changes to existing) requires further permission from the undersigned council officer

Council Rangers are aware of your approval.

Should you require further information, please contact me on 4921 0108.

Regards
