

NHTYA Lake Macquarie Cruise

September 19-20 2026

Come join us for a weekend of sailing- cruising our wonderful lake. Take the time to just relax and enjoy what sailing has to offer. Forget your worries and sail away with us. The destination isn't the goal – it's the journey.

Launching from f-Jetty. We plan to kick off on Sat morning 10am. And sail wherever the breeze takes us.

We will launch on the Friday but the cruise doesn't start until Sat morning. Plenty of time to rig for those who have to work.

Our cruise motto is REACH- RUN – or motor. Why do it hard ! Of course, you can sail upwind if you like.

We will beach in somewhere Saturday night– 'cause we can!!

Please be self-sufficient as we cannot guarantee a place for food on Sat night.

Please contact us if you intend to join us.
