*Extracted from NHTYA constitution dated July 2019*

**16. Constitution and membership of the Management Committee**

- (1) The Management Committee is to consist of.
  - a) the office bearers of the association, and
  - b) 3 ordinary members, each of whom is to be elected at the annual general meeting of the association under rule 17.
- (2) The office bearers of the association are to be:
  - a) the commodore
  - b) the vice-commodore
  - c) the past-commodore
  - d) the treasurer, and
  - e) the secretary
- (3) Each member of the committee is, subject to these rules, to hold office until the conclusion of the annual general meeting following the date of the member's election, but is eligible for re-election subject to rule 16(4).
- (4) In the event of a casual vacancy occurring in the membership of the committee, the committee may appoint a member of the association to fill the vacancy and the member so appointed is to hold office, subject to these rules, until the conclusion of the annual general meeting next following the date of the appointment.

**17. Election of members**

- (1) Nominations of candidates for election as office bearers of the association or as ordinary members of the committee:
  - a) Must be made in writing, signed by 2 members of the association and accompanied by the written consent of the candidate (which may be endorsed on the form of the nomination), and
  - b) must be delivered to the secretary of the association prior to the commencement of the annual general meeting at which the election is to take place.
- (2) If insufficient nominations are received to fill all vacancies on the committee, the candidates nominated are taken to be elected.
- (3) If insufficient nominations are received, any vacant positions remaining on the committee are taken to be casual vacancies and filled in accordance with rule 16(4).
- (4) If the number of nominations received is equal to the number of vacancies to be filled, the persons nominated are taken to be elected.
- (5) If the number of nominations received exceeds the number of vacancies to be filled, a ballot is to be held.
- (6) The ballot for the election of office bearers and ordinary members of the committee is to be conducted at the annual general meeting in such usual and proper manner as the committee may direct.

## OTB Report 10<sup>th</sup> April 2021

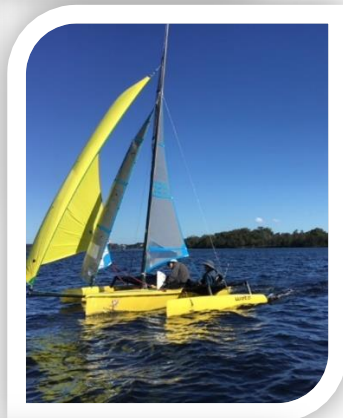

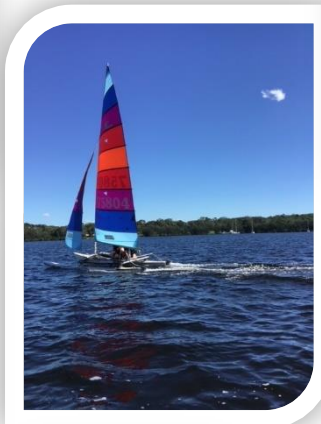

April 10 brought yet another beautiful weekend for OTB, but this time there was predicted wind of 12knots.... Yay! Some visitors joined us plus a few visiting WETAs to complete the last round of their NSW state titles traveler series.

We had 11 boats racing; five WETA's including Brian in his, Jacob and I in the Hydra16, Warren, Doug, and Andrew in their Maricats, Tom with a passenger on his Windrush and Cam and Chris on their Hobie16. We also had Stuart in his Windrush and Simon in Brian's Corsair join us for a bit of a play although Stuart did not stay with us for very long, as he wanted to get his Capsized drill over and done with....twice.... To say he was buggered would be an understatement.... Chris Keevers brought his Tinny as a support boat and along with Robin they took lots of photos.

What a good day it was - the WETAs had their own start, as there would not have been a lot of room if we had done one start. We had a few moments of random gusts hitting us all. One got Warren and missed us, meaning, we were dead in the water while Warren was up on one hull screaming towards us calling out with panic in his voice "STARBORAD!!!" – His eyes were as wide as dinner plates. Lucky for us the gust hit us just at the right time, and we were able to move out of the way before he t-boned us, but not without a few choice curse words between Jacob and I....

We had three races in all today, only three breakages on three separate boats this time. Two was Andrew and Doug's Maricat had rudder issues so Ninja was sacrificed so that Andrew could go race. In addition, the traveler cleat on our Hydra16 decided that it no longer wanted to be part of our mainsheet/traveler system... so we managed to complete the last race with no traveler, that was interesting.....lucky for us it can be fixed..

We all had fun and had a laugh afterwards with our normal happy hour trash talk session. We are all Looking forward to next race weekend on May 15, and the count down to the Keepit Kool Regatta has begun....not long now!! So excited.... A little birdy told me we have 11 boats going!!!

## Sailing Adventure Cruise

### Junior Participation weekend-

*Inviting members to invite relatives or friends who are under 16 to a junior cruise weekend on the 22nd /23rd May at Styles Point.*

*All juniors that are invited by a skipper will be on his boat for a cruise on Saturday on the surrounding waters (depending on weather) with the junior helping out with sailing of the yacht (age relative)*

*Back to Styles Point by 3.30 for a bit of on- shore activities and all juniors will be supplied some tucker with the adults looking after themselves with BBQs available.*

*Brian will have some 'off the beach boats' available to sail and add to the experience.*

*Weather permitting - an outdoor movie on a HUGE screen.*

*All kids can then have a sleep over on their skipper's yacht.*

*Sunday will be more sailing activities for the kids depending on numbers.*

*More information will come as we get numbers, hoping that we can get an under 10s group and an over 10s group.*

*Please email Kev with details numbers and ages and/or add your intent to the Facebook event/discussion link.*

# Sonata 7 For Sale

The Sonata 7 for its size is extremely spacious down under with possibly the largest V berth in a Trailer Sailer and a dinette that converts to a day bed.

The swing keel has an electric winch.

New standing rigging 7/2014 with receipt available.

Also comes with Raymarine Dragon Fly depth sounder with GPS Navionics Maps.

The trailer is a braked tilting trailer so easy to launch and has new wiring harness, LED lights etc installed by Felk Engineering 1/2020.

Stainless steel ladder at back of yacht allows easy access when on trailer or swimming off back.

A raised mast support with roller has been added which allows the mast to be raised out on the water and if you just want to go fishing or motoring you don't need to raise the mast as it is not in your way in cockpit.

We have had some great memories on Humm Along
